WEB DEVELOPER

About me

Proficient in building dynamic web applications using Node.js, Express, React, HTML, and CSS. Skilled in designing responsive and user-friendly interfaces with a focus on clean, maintainable code. Experienced in integrating back-end services with RESTful APIs and ensuring seamless communication between the client and server. Adept at using modern JavaScript frameworks and libraries to deliver high-quality solutions tailored to user needs. Committed to continuous learning and staying updated with the latest web development trends and best practices. Strong problem-solving abilities, teamwork skills, and a passion for creating efficient and engaging digital experiences.

Experience

Web Developer

Freelance 2024

Worked as a freelance web developer, building custom web applications using JavaScript and React. Developed responsive, user-friendly interfaces and ensured seamless integration with backend services. Delivered projects on time, meeting client requirements and exceeding expectations. Gained hands-on experience with various front-end and full-stack technologies while collaborating directly with clients to solve unique business challenges.

Education

(2016) Student

Secondary school №1
